

February 3, 1976

PRESIDENT: You have two minutes, Senator.

SENATOR SCHMIT: ... go over the bill, run it through the washing machine and the wringer and everything else, do the best thing you can with it and try to improve it or whatever needs to be done.

I would hope that ... and I'm not meaning this in a derogatory manner, but I have to sort of say this in closing that most of the arguments against this bill boil down to one that former Senator Kokes, Denny's predecessor, used to use and that is this--"you're getting your dipper into my bucket", you're getting a little bit of the revenue that I'd hoped would stay in our area and you're getting my attention. If that's the way it turned out then perhaps it hasn't all been in vain and thank you very much.

I hope you oppose the kill motion.

CLERK: Mr. President, your Committee on Government, to whom was referred LB 805, instructs me to report the same to the Legislature with the recommendation it be advanced to General File as amended.

Mr. President, I move we adjourn till 9 o'clock Tuesday. Signed, Senator Burbach.

PRESIDENT: Senator....

SENATOR SYAS: I want Senators Keyes, Carsten, Swigart, Fitzgerald, Cope and Dworak over under the South balcony for a few minutes.

PRESIDENT: There's a motion to adjourn until nine in the morning. All in favor say aye, contrary say nay. We are adjourned.
